Food Services

Reaching far beyond simple cafeteria-style food, we have carefully honed our dining experience, offering fresh, nutritionally-packed ingredients in dishes that are tailored to individual preferences and dietary requirements.

CULINARY DELIGHT WITH EVERY MEAL SERVED

Variety Tailored to Your Needs

Our menu cycles are regularly refreshed by our in-house development chefs. Whether it's an omelet station in the morning or wok station in the evening, we have a range of options available to sustain guest interest and avoid menu fatigue.

Our certified chefs who develop and oversee our menus and food service operations can address any culturally diverse, religious, medical, and lifestyle-specific requirements of your workforce.

Consistency

Our extensive recipe management database ensures consistent quality, portion size, and presentation for every dish we serve.

Food Safety

We serve millions of meals every year, and with that comes tremendous responsibility and care. Quality and food safety are ensured through Civeo's use of government-approved suppliers, staff training, stringent procedures, and our integration of Hazard Analysis Critical Control Point (HACCP) systems (the United Nations' international standard for food safety).

{EDI}™ MEAL ORDERING SYSTEM

À la Carte Cook-to-Order Dining

Gone are the days of typical, bland meals, limited selection, and long cafeteria lineups.

As an optional extension to our food services offering, Civeo's proprietary {edi}™ (ed-ee) digital self-serve kiosks allow guests to conveniently order their meal from our personalized cook-to-order touchscreens.

{edi} touchscreens are fully customizable for our clients and can be tailored to suit varying schedules or guest dietary needs.

As with all of Civeo's food services, {edi} can make allowances for cultural, medical, and lifestyle dietary requirements.

{edi} enhances the guest dining experience by offering:

- Reduced lineups and wait times
- Personalized, à la carte restaurant-style menu options
- Quick and convenient self-serve touchscreen ordering
- Freshly prepared, made-to-order dishes, hot and ready at your convenience
